**Monthly Update (November 2024)**

### **STEM Lab**

With support from Child Rights and You, we have established STEM lab in Neb Sarai, offering hands-on learning spaces where students engage with Science, Technology, Engineering, and Math in a creative, and interactive environment. Designed for young learners, from classes 7th to 12th, fostering curiosity and building foundational skills.

## Children's Day

Children's Day was joyfully celebrated on 14th November 2024 at Neb Sarai, Nangloi, Faridabad, Sangam Vihar, and Greater Noida. The celebrations included fun activities like drawing competitions, interesting debates, and beautiful cultural performances.

## Retail Training

With the support of Bosch 6 of our trainees from Nav Srishti's Faridabad Centre received their job offer letter from renowned company Burger King. After 3 months of training and hard work, our trainees have received this wonderful opportunity. We thank Bosch for supporting them and wish our trainees a very successful career ahead.
