

**NAV SRISHTI**

**Working for Women Empowerment & Child Rights**

**Monthly Update (January 2025)**

### **Demand of Creche**

Nav Srishti, conducted a community meeting with women in Nangloi to discuss the demand for creches in the area. A total of 35 women actively participated, sharing their concerns and experiences regarding the need for accessible and affordable childcare facilities.

During the discussion, women highlighted the challenges they face in balancing work and childcare responsibilities, emphasizing how the absence of creches affects their employment opportunities and financial independence. They also deliberated on the importance of early childhood care and education for their children's development.

## **National Girl Child Day**

The National Girl Child Day was celebrated with enthusiasm at the Neb Sarai CAC Centre, highlighting the importance of empowering and supporting girls in society. The event aimed to raise awareness about gender equality, girls' education, health, and rights. During the celebration, various activities were organized, including interactive discussions, storytelling sessions, and awareness talks on issues such as child rights, education, and the prevention of gender-based discrimination.

## **Gender, Patriarchy and Community Mobilization**

A 3 days TOT workshop was organized on " Gender, Patriarchy and Community Mobilization " in collaboration with SNEHA Foundation for the staff of Sangam Vihar women capacity building program in partnership with Azim Premji Foundation. The training continued from 21/01/2025 - 23/01/3025. On the first day the workshop focused on Gender, Patriarchy and Power on the second day the topic was Community Mobilization and on the third day the TOT workshop concluded with Theory of Change.

## **Automotive Education**

On 23rd January 2025, a group of 25 students from the automotive course embarked on an enriching exposure visit to the prestigious Skoda car showroom. During their visit, the students were provided with a detailed overview of the various car models, their features, and the cutting-edge technology that defines the Skoda brand. The visit was an engaging experience, enhancing their understanding of the automotive industry.
