

# Nav Srishti Monthly Update

June 2025

Nav Srishti, in collaboration with Child Rights and You, celebrated World Environment Day across four locations — Neb Sarai, Nangloi, Santosh Nagar, and Rajeev Nagar (Faridabad). Rallies and awareness programs were held with active participation from 260 women and children.

Mrs. Reena Banerjee, Secretary of Nav Srishti, urged the community to say no to plastic, use cloth/jute bags, avoid plastic-packed food, and plant more trees for a healthier environment.

On 9th June 2025, a Legal Service Clinic was inaugurated at Nav Srishti's Mahila Panchayat Office in Sangam Vihar, New Delhi.

Nav Srishti proudly announces the inauguration of a Legal Service Clinic at its Mahila Panchayat office in I Block, Sangam Vihar. The clinic was inaugurated by Ms. Shail Jain, Hon'ble Principal District & Sessions Judge, Saket District Court Complex (South), in the presence of Mr. Aviral Shukla, Member Secretary, South DLSA, community members, and representatives from Nav Srishti.

Nav Srishti held an awareness campaign in Santosh Nagar (Faridabad) to educate the community on the issue of missing children and the importance of immediate action. Pamphlets with safety guidelines and reporting protocols (Childline 1098) were distributed.

A sensitization session on SOPs for missing children was also conducted with 20 active whistleblowers—mostly street vendors—at Bata Railway Station, highlighting their vital role in child protection and reporting vulnerable cases.

On 21st June 2025, Nav Srishti, in collaboration with Child Rights and You (CRY), celebrated International Yoga Day across Rajiv Nagar, Santosh Nagar, Neb Sarai, Prem Nagar, and Noida.

Children enthusiastically participated in yoga sessions led by our yoga instructor, who explained the physical and mental benefits of daily yoga practice. From Surya Namaskar to other asanas, the sessions were filled with energy, awareness, and joy!

We are proud to share that this celebration was covered by 6 newspapers, amplifying the message of wellness and yoga for all.

Let's continue to nurture healthy minds and bodies through the power of yoga!

Ms. Neelam from Sakhi One Stop Centre visited and engaged with adolescent girls, highlighting the Centre's 24x7 support for women and girls facing violence. She explained its role in DV Act cases, coordination with Protection Officers, DLSA, police, and doctors.

She encouraged the girls to seek help when needed and visit the Centre at Madan Mohan Malviya Hospital. In closing, she urged them to focus on education and use their time wisely.

# Thank you!
