July 2025

The team conducted a graduation ceremony for the trainees of Batch 2501, who successfully completed the retail training course. During the ceremony, certificates were distributed to acknowledge their efforts and achievements. The graduating trainees also shared their learning experiences with the new batch, which proved to be both inspiring and motivating for the newcomers.

On 15th July 2025, Nav Srishti inaugurated a Computer Training and Stitching Center in Baharipur Naugaon village, Alwar district, Rajasthan, to enhance the skills of women and children from eight nearby villages.

Nav Srishti Secretary, Mrs. Reena Banerjee, welcomed guests and highlighted the organization's 30 years of work in women and child development across five states—Delhi, Haryana, Uttar Pradesh, Rajasthan, and Karnataka.

The event was attended by local dignitaries, including the village sarpanch, headmaster, community leaders, and Nav Srishti staff. The ceremony concluded with a vote of thanks from Mrs. Reena Banerjee to all guests and villagers.

Nav Srishti runs six centres across Delhi NCR—three in Neb Sarai, and one each in Faridabad, Noida, and Sangam Vihar—offering Creche (0–3 yrs), Balwadi (3–6 yrs), and Bridge Courses (6–14 yrs). We provide nutritious meals, early learning, and monthly growth monitoring, ensuring a safe, caring space for children while enabling parents, especially working mothers, to earn with peace of mind. Because every child deserves a strong start.

On 29th July 2025, Nav Srishti received guidance from our technical training partner, Butterflies NGO, for the "Children's Development Khazana – A Butterflies Initiative."

Through this innovative initiative, Nav Srishti, Butterflies, and the Khazana Foundation have partnered to deliver life skills education to children, where they learn financial management and democratic values. We are excited to embark on this new journey and look forward to implementing this wonderful initiative.

Thank you!
