

Monthly Update

January 2026

A camp was organized at the Nav Srishti Prem Nagar office in collaboration with ISRA NGO to facilitate access to social protection schemes. During the camp, several essential documents were prepared for community members, including Ayushman cards, Aadhaar cards, E-Shram cards, and other identity cards.

Children from the Digital Learning Center and the STEM Center attended an online cyber security session conducted by the NIIT Foundation. During the session, they were educated on how to stay safe online and protect themselves from cyber fraud.

A workshop on government welfare schemes for workers was organized by Neenv Delhi Forces. During the workshop, participants were informed about who qualifies as a construction worker, the various government benefits available to them, and the process for accessing these schemes.

We visited an SDMC school to conduct a Missing Children Awareness Program. During the program, we distributed pamphlets and informed students about missing children, their safety, and the steps to take if they or someone they know ever gets lost. The children listened attentively and actively engaged in the session.

Our aim was to spread awareness, promote safety, and encourage students to seek help from trusted adults and authorities in such situations. Overall, the program was informative and successful, helping to create awareness among young students about this important social issue.

Thank you!
