

# Monthly Update

November 2025

On 14th November 2025, Children's Day was celebrated at Neb Sarai, Prem Nagar, Faridabad, Sangam Vihar, and Noida. Creative activities were conducted, including colouring their favourite animal drawings in the Balwadi and toy-based play in the creche.

The programme began with a dance performance by the creche children, followed by games like musical chairs and passing the parcel.

A Child Labour Campaign was also launched in collaboration with the Alliance for People's Rights. As part of the campaign, awareness activities and signature drives were conducted.

Nav Srishti organized a community rally to raise awareness about child labour. During the rally, adolescents and women came together to inform the community that engaging in child labour is a criminal offence, punishable by both imprisonment and a fine. We also distributed informative pamphlets in the community.

A powerful start to the 16 Days of Activism Against Gender-Based Violence in Sangam Vihar. 110 Mahila Panchayat members came together and pledged to stand against all forms of violence, supporting a safer and more equal community for women and girls. Together, we raise our voices for dignity, safety, and justice.

Our partners from Khazana Foundation visited Nav Srishti to review the Children's Development Khazana (CDK) Project — a Butterflies initiative. They interacted with the team and children, and also inaugurated the CDK bank, which will be managed by children.

The children presented role plays and delivered speeches on the structure and benefits of CDK, explaining how they have developed the habit of saving money, reduced their consumption of junk food, and learnt skills such as time management, decision-making, leadership, and supporting their families during emergencies.
