

Monthly Update

May 2026

The children enrolled under the Khazana Foundation participated in a highly successful exposure visit to Kotak Mahindra Bank. The visit was organized with the valuable support of Bank Manager Mr. Anil Panwar and the dedicated staff members of Nav Srishti.

During the visit, the children learned about basic banking services, financial awareness, and the importance of saving money. The bank staff warmly interacted with the children and explained how banks function in daily life.

The program was both informative and inspiring, providing the children with practical exposure and boosting their confidence.

Ms. Reena Banerjee and Ms. Sushma Sharma recently visited the Apollo Tyres-supported Health Care Centres in Jodhpur and Jaipur, Rajasthan. The visit focused on orienting program staff on organizational policies and systems, and reviewing the progress of health initiatives for the trucking community.

This engagement strengthened coordination and improved the quality of health services for truck drivers and allied communities.

At Neb Sarai, Nav Srishti and APR continue to organise a Summer Camp for community children. This 40-day campaign started on 15.05.2026. During the school vacation and extreme heat conditions, children are staying in a safe and cool environment where they participate in life skills activities, fun activities, story reading, and storytelling sessions.

The camp also helps children build an understanding of important social issues such as child labour, missing and trafficking of children, good touch and bad touch, and precautions against heat stroke.

International Missing Children's Day celebration was held at Rajiv Nagar CAC 3 with the support of Child Rights and You. During the session, the children were informed that this day is observed in memory of children who have gone missing.

The theme of the day was explained to the children, and they were made aware of ways to prevent children from going missing. The children recited the poem "Stranger Danger" and were also informed about safety rules through pamphlets.

Thank you!
