

Monthly Update

July 2026

On 4 July 2026, in collaboration with Rajiv Gandhi Cancer Institute & Research Centre and Apollo Tyres Healthcare Express (Delhi-MMU), an oral cancer screening camp was organized at Chetak Logistics Pvt. Ltd., Bilaspur, Haryana, under the Sakushal Sarthi Health Camp initiative.

A total of 57 beneficiaries received free oral cancer screening and counselling, along with general health check-ups, diabetes screening, and hypertension screening.

With the support of the Trrain Project, Nav Srishti launched a 7-day employability training program for 30 young men and women (18–40 years).

The first day focused on orientation, personality development, personal hygiene, punctuality, discipline, and basic management skills. Participants were also informed about job placement support upon successful completion of the training.

The trainees actively participated and showed great enthusiasm to build their skills and prepare for future employment opportunities.

Through our Capacity Building Program on Gender-Based Violence (GBV), we have formed 14 Women Support Groups (WSGs) with 383 women leaders across Sangam Vihar and Nangloi. These women are raising awareness through community meetings, supporting survivors, and referring cases to 7 Mahila Panchayats, which collectively address 5–7 cases each month.

Together, we are creating stronger support systems, promoting gender equality, and ensuring women have access to justice and assistance.

A GBM-cum-Leadership Training was organized by Nav Srishti for members of the Children Development Khazana. A total of 75 children participated in the programme. The election of the CVM, AVM, Convenor, Secretary, and Time Keeper was conducted through a democratic voting process.

The session included discussions on the roles and responsibilities of the elected members, the importance of discipline, and the need to encourage individual savings.

Children who have been part of the programme shared their experiences and learnings on leadership and life skills, inspiring their peers.

Thank you!
