

Monthly Update

August 2026

We sincerely thank the TRRAIN Trust Team for supporting the YUVA Skill Development Program in partnership with Nav Srishti.

The program marked a proud milestone as trainees from our first YUVA batch appeared for their placement interviews. We are delighted to share that five trainees have been selected. We are optimistic about their success and believe many more opportunities are on the horizon.

Congratulations to all the selected trainees! Our heartfelt appreciation to the TRRAIN Team for their valuable support in creating pathways to sustainable employment for young people.

On 3rd August 2026, Nav Srishti proudly celebrated its 32nd Foundation Day, marking 32 years of dedicated service to communities, the protection of children’s rights, and women’s empowerment.

On this special occasion, we also announced the Missing Children Campaign – Awareness, Training & Response (ATR). Through this initiative, and in collaboration with various stakeholders, we will work across Delhi to strengthen community awareness, build the capacity of key stakeholders, and promote timely action for the prevention, identification, and recovery of missing children.

Together, we are committed to creating a safer and more empowered environment for every child and woman.

On 19 August 2026, Nav Srishti organised a Sakushal Sarthi Health Camp at Delhi Baroda Roadline Carrier Pvt. Ltd., Pataudi Road, Haryana.

During the camp, an awareness session on Tuberculosis (TB) was conducted for truckers and members of the allied community. A total of 61 beneficiaries received health services, including:

- General health check-up and STI treatment
- Medicine distribution as per prescription
- HIV screening
- Diabetes screening
- Hypertension screening
- Vision screening

A meaningful meeting was held with Delhi Commission for Protection of Child Rights (DCPCR), during which Nav Srishti was introduced and potential areas of collaboration were discussed.

It was mutually agreed that DCPCR and Nav Srishti would work together on the issue of missing children. Through this collaboration, efforts will be made to strengthen awareness, capacity building, prevention, and effective response mechanisms to ensure better protection and safety of children.

Thank you!
